## A Report on Inauguration of BE First Year Classes of the Academic Year 2017-18

Classes for the First year BE Programme were inaugurated on 19<sup>th</sup> August, 2017 at CIT Campus. Ms. Spoorthy of 3<sup>rd</sup> semester invoked the blessings of the almighty by reciting the invocation song. Vice Principal of CIT and Head of the Computer Science and Engineering Department Dr. Shantala C P welcomed the gathering and introduced the guests to the audience. The Chief Guest of the Function Mr. Arunakar Mishra, MD & CEO of Genser Aerospace & IT Pvt. Ltd., Bangalore spoke about the latest developments in the field of Aerospace Engineering. He narrated about how a Quadcopter lifts itself off the ground and a better researching on Battery technology can significantly reduce weight of the Quadcopter and extend its flight time. With a beautiful anecdote on Sri Shankaracharya, he explained about how one can rise to any occasion by adapting to change and by overcoming challenges in life.

The Guest of Honour , Mr. Umashanker, CEO of iSteer Technologies, Bangalore, spoke about how one can garner success in every mission by getting over their inferiority complex. He shed light on his contribution in the field of Enterprise Application Integration, which makes businesses to flourish on new platforms like cloud computing and virtual servers in his talk.

Another Guest of Honour, Dr. Divyananda Dean, Industry Institution Interaction, SIT, Tumkur spoke in his address about contributions of Sri. M. Natarajan in design of the Battle tank, the Arjun. He explained how Sri. Natarajan rose to distinguished career in the excellent organization like DRDO in spite of his rural background.

The MD and Secretary of CIT Group of Institutions, Sri G B Jyothi Ganesh presided over the function and delineated in his speech about the growth of the Institution over the years since its inception and also the commitment of the Institute towards infusing a great deal of professionalism in the budding engineers and future technocrats of this country. He also mentioned about various accolades and appreciations received by the Institute in various domains from competent authorities like UGC and AICTE.

The Director and Principal Dr. Suresh D S congratulated the parents for joining their wards to CIT and welcomed the new ensemble of students to the First year course in Engineering. He said that dedication and discipline are of paramount interest in pursuing Engineering Education.

Dr. Sridhar K N Rao, Chief Advisor-Academics and Research gave a piece of advice about how one can enhance his learning competency by inculcating the habit of questioning to the newly admitted students to the first year BE programme.

Outstanding Project of the year awardees from KSCST and CIT-CAT students were felicitated during the function. Prof. Pradeep V, was the master of ceremonies. The function saw an end at 1.30 PM with the National Anthem.

A parent teacher meeting was conducted in the afternoon at 3 PM. The Director and Principal of Channabasaveshwara Institute of Technology, Dr. Suresh D S presided the meeting. The heads of various departments were present during the meeting. HOD of Basic Science gave a presentation about the College and CBCS regulations. The meeting also provided a common platform for both parents and teachers to interact each other about the academic progress and behavior of students in classes. The parents expressed their gratitude about the facilities provided by the Institution for the development of students during the occasion.
