|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Name: Mahesh N | Research Interests: |
| | 1. Network Security 2. Machine Learning |
| Designation: Assistant Professor | Technical Skills: |
| | 1. c,c++ |
| | 2. oracle |
| Department: Computer Science and Engineering | 3. c#&.NET |
| | Paper Published:3 |
| Email-id:Mahesh.n@cittumkur.org | 1.Stegnography in multimedia using PRING and LSB ,National Conference on Emerging Trends in CSE ,NCET ,Bangalore |
| Phone Number:9742045203 | 2.Detection of Tumor cells using Symmetry method ,IJSHRE |
| | 3.Increasing Throughput by Efficient Target Localization in WSN,IJRITCC |
|   | Membership: AMIE |
| | Teaching: |
| Qualification: B.E, M.Tech | 1. Software Architecture |
| | 2.Computer Architecture |
| | 3.Storage Area Networks |
| | 4.System Modelling and Simulation |
| | 5.Operation Research |
| | 6.System Software |
| | 7.Management and Entrepreneurship |
| | 8.c# & .NET |
