

Name: SURESH G S	Research Interests:
	1. Data Mining
	2. Wireless Sensor Networks
Designation: ASSOCIATE PROFESSOR	3.
	Technical Skills:
Department: CSE	Languages: C, C++, Java
	Recent Research Publications:
Email-id: gssuresh@cittumkur.org	1. Multi keyword Ranked Search over Encrypted Cloud Data, Vanishree R, Suresh G S, IJAR CET, Vol.4, Issue 5, May 2015
	2. Assessment of Document Similarity with Clustering using Multi View Points, Sindhudarshini S, Suresh G S, IJCSIT, Vol.6,2015
Phone Number: +91 9886832754	Research Title: Development and Analysis of Innovative Methods to Enhance the Performance of Wireless Sensor Network Using Knowledge Discovery Techniques.
Affix Your Recent Photo: 	Membership: ISTE: LM28083 IEI: M-1530040
	Teaching: 1. Software Engineering 2. Data Mining 3. Software Testing 4. Computer Networks 5. Storage Area Networks 6. Programming in C, C++
Qualification: B.E.(CSE), M.Tech(BMI), M.Tech(CSE)
