

| | |
|---|--|
| Name: Dr. Shantala C P | Research Interests: |
| | 1. Steganography |
| | 2. Network Security |
| | 3. Finite Automata & Formal Models |
| Designation: Vice-Principal & HOD | 4. Embedded System |
| | Research Funds |
| Department: Computer Science & Engineering | <ul style="list-style-type: none"> • Development of Long-Range and High-Speed Wireless Lan-for the Transmission of Telemedicine from Disaster Areas - Rs. 20,00,000 • EEG based Brain Computer Interface (BCI) for Assistive Technology – Rs. 6,00,000 • Intelli-Track: A Smart Tracking system for Lost objects using RFID Technology - Rs. 40,000 |
| | Patents |
| Email-id: shantala.cp@cittumkur.org | A Secure Monitoring of 46 Habit Forming Drugs Using ABE in Cloud (Application No: 2866/CHE/2014) |
| Phone Number: +91 08131 223818 (312) | Book / Monograph |
| | FAFL[UP] |
|  | Membership: |
| | MISTE, IEEE, CSI, IE |
| Qualification: Ph.D, CMR University, Bangalore, Karnataka, INDIA M.Tech. (2002), 1st Rank, Visvesvaraya Technological University, Karnataka, INDIA B.E. (1997), Bangalore University, Karnataka, INDIA | Teaching: |
| | <ol style="list-style-type: none"> 1. Logic Design 2. Finite Automata & Formal Languages 3. Computer Networks 4. Cryptography & Network Security 5. Unix Programming |
