

Name: SUHAS K C	Research Interests: Security in Wireless Sensor networks
Designation: Assistant Professor	Technical skills: C, C++, NS-2
Department: Computer Science & Engineering	Papers Published: The Paper entitled "Increasing Throughput by Efficient Target Localization in WSN" Published in "International Journal of Recent and Innovation Trends in Computing and Communication" with ISSN: 2321-8169 Scientific Journal Impact Factor: 5.837, Published in IJRITCC Journal, Volume 4, Issue 9, September 2016
Email-id: suhas@cittumkur.org	Membership : 1. ISTE : LM76790 2. AMIE : AM162730
Phone Number: 9844987877	
	Teaching: 1. Computer Networks 2. Operating System 3. DBMS 4. OOPS with C++ 5. Unix System Programming 6. Unix Shell Programming 7. Mobile Communication 8. Networks Laboratory 9. USP & CD Laboratory 10. SS & OS Laboratory 11. Programming In C Laboratory
Qualification: B.E , MTech
