

Name: MURUGESH P D	Photo: 
Qualification: M.Tech (PSE) from UBDTCE Davangere, Karknataka, India	
Designation: Assistant Professor	
Department : Electrical & Electronics Engineering	Research Interests: Power System Protection Power System Planning
Membership : Nil	Recent Publication: <i>"Fault Diagnosis of VSI Fed Induction Motor Drive Using Fuzzy Logic Approach"</i> ICPACE – 2015 , IEEE Paper , at BNM Institute of Technology, Bangalore – 560070, Karnataka, India.
Mobile No. : 9449286080 9740134209	
Email- id : murugesh.pd@cittumkur.org	Subjects Taught: <ol style="list-style-type: none"> 1. HVDC Transmission 2. Basic Electrical Engineering 3. Electrical & Electronic Measurements 4. Electric Motors 5. Power System Operation and Control 6. Transformer & Generators 7. Electrical Power Utilization 8. Transmission & Distribution 9. Switchgear & protection 10. Estimation and Costing
Technical skills: AUTOCAD MATLAB PSPICE PSIM Microcontroller programming(KEIL) C-programming
