

Name: Ramesh Bantwal	Photo: 
Qualification: M.E, Pursuing PhD	
Designation: Associate Professor	
Department : Electrical & Electronics Engineering	Research Interests: Wireless Sensor Networks, IoT, Protection
Membership : ISTE - LM 7708 IEEE - 9254 3315	Recent Publications: <ol style="list-style-type: none"> 1. FPGA Implementation of best suitable video compression with respect to region of interest.(2016) 2. VLSI implementation of built in Self repair for faulty Memory.(2015) 3. Upgrading substation relays to digital reclosers and their coordination with sectionalizers.(2015)
Mobile No. : 9449921434	Subjects Taught: <ol style="list-style-type: none"> 1. Analog Electronic Circuits 2. Power System Planning
Email- id : ramesh.bantwal@cittumkur.org	
Technical skills: Labview Programming PLC PSCAD programming
